No walker will be allowed past STOP 6 before 6am for safety reasons.

Walkers walk onto the railway line at Stop 6. Walkers will walk down the centre of the line until the **Inanda Road bridge underpass** where you walk along the single track on the left-hand side of the line. Additional security and marshals will be deployed along this section of the route. From this point under the **Inanda Road bridge**, the railway line route follows on the left-hand side of **Old Main Road** Hillcrest (bordering Springside Road) and runs behind the new Builders Express. Walkers cross over the railway bridge ON THE RAILWAY LINE at **Stonewall Road** (the old Builders Express) and then continue on the right side of the line to **STOP 7 – GREENWAY CLOSE**. This stop is located on the right side of the railway line just prior to reaching **Greenway Close**.

After this stop, head back onto the railway line itself and proceed down the railway line underneath Ashley Drive bridge. Approximately 400m beyond the bridge, the walkers will separate from the railway line on the left side and walk down along the new access road to

the left of the railway line and then up all the way to the old Gillitts station. Walkers will then again walk alongside the railway line.

Walkers then proceed along the line to Makaranga where the route again leaves the railway line and walkers walk next to the line to **STOP 8 – OLD MAIN ROAD** opposite the Kloof Civic Hall. The route then proceeds along the railway line past Stokers and behind the Fields Hill Shell garage on towards **Willingdon Road**. After the Shell Garage walkers cross **Pioneer Road** into **Fairview Road** turning left into **Insala Road** and then back into school via the stock shop (Thom-Teenies).

After entering the school, walkers will follow the 5km School Loop for either one and a half laps (55km) or six and a half laps (80km).

Note: From STOP 6 near the bottom of Botha's Hill until the Pioneer Road crossing, you will follow the railway line and its servitude continuously and at no stage will you divert away from the Railway line more than a few metres.
