An Inspired Education

POLICY REGARDING PUPILS' VEHICLES

Pupils who have a valid driving licence and who are driving themselves to school must:

1. Present their valid driver's licence to Mr Ireland for scrutiny and supply a copy of the licence.
2. Provide Mr Ireland with the following details of any vehicle which will be parked in the school's premises: make, model, colour and registration number.
3. Park in the designated pupil's parking area (Top car park)
4. Only valid driving licence holders may park their vehicle on school premises. Pupils who have a learner's licence may drive to school with a parent or responsible adult for the purposes of learning to drive but may not park their car in school premises.
5. Drive with due care and attention when on the school property at a speed not exceeding 20km/h.
6. Display the TMC disc which will be issued by the receptionist at the Great House on the inside of their vehicle's windscreen.
7. Ensure that they arrive on time for registration in the mornings.
8. Sign a copy of this policy undertaking to adhere to its contents.

The College reserves the right to deny pupils access to the school's premises in their vehicles if they do not adhere strictly to points 1 - 6. No warnings will be issued and no debate will be entered into.

Pupils who arrive late for school will initially be punished according to the code of conduct which deals with timekeeping practices. If, however, pupils are driving themselves to school and are repeatedly late they will not be allowed to park their vehicles in the school premises.

Pupils who are discovered leaving school in their or their friends' vehicles during school hours will be punished according to the code of conduct dealing with unexplained absence. The drivers of those vehicles will then not be allowed to park their vehicles in the school premises.

I, _____, parent/legal guardian of _____

have read and understood the conditions under which my son/daughter is allowed to enter the school premises in his/her vehicle and am supportive of this policy.

(Signature of parent/guardian)
